

REMARKS

1. The parent application received a restriction requirement in response to which the Group II claims were elected. Applicants present the non-elected Group I claims 1-15 and 32 from the parent application for prosecution. Claims 1 and 6 have been amended and new claims 34 and 35 have been added to the application based on support found on page 13, at lines 29-31 and page 14, at lines 1-17.
2. The specification has been amended on page 1 to insert language concerning this being a divisional application and on pages 3 and 13 to correct minor punctuation errors to promote readability.
3. In summary, claims 1 and 6 have been amended. New claims 34 and 35 have been added. Claims 16-31 and 33 have been canceled without prejudice. Claims 1-15, 32 and 34-35 are presented for examination. Punctuation changes have been made to pages 3 and 13 and page 1 has been amended to cross-reference the parent application.

Pursuant to currently recommended Patent Office practice, the Examiner is expressly authorized to call the Applicant's attorney collect at Valencia, California, if in the Examiner's judgment disposition of this application could be expedited or if the application is considered not ready for examination or final disposition by other than allowance.

Respectfully submitted,
